MISFIT MARKETING METHODS EP. 1 -- INTRO TO MARKETING

Stock #: MIS9377

In his Facebook Live series, Misfit Marketing Methods, Steven Trustrum explores marketing techniques, including the methods, strategies, tactics, and tools of content marketing. Although generally applicable to any business, he does so with a focus on the context and perspective of small press and gaming publishers.

The series is intended to provide a starting point and on-going assistance to creative people and entrepreneurs who may be putting out quality product but don't have the experience or education to reach their marketing potential without some help.

In Episode 1, Intro to Marketing, Steven gets the conversation rolling by talking a little bit about a broad range of subjects.

- A detailed discussion of the three founding components of any marketing effort
- Using footers to cross-promote (with a spotlight on RPGNow / Drivethru)
- A word or two on blogging
- Search Engine Optimization (SEO) basics
- Why keyword research is vital
- The dangers of marketing hyperbole and promises
- ... and more

Steven Trustrum is a self-taught marketing professional. He spent over a decade working in the market research sector in various roles, has been a marketing writer, and currently works as the content manager for a major Canadian not-for-profit.

PLACES OF PERIL & PLUNDER: GOBLIN OUTPOST

Stock #: MIS7060

Need a quick encounter for your Savage Worlds fantasy game? Places of Peril & Plunder is the answer you are looking for. Each presents a quick adventure to be played in one or two sessions, and uses the Combat Rating system to be easily adapted to any Rank.

In Places of Peril & Plunder: Goblin Outpost, the heroes find their way to a subterranean compound located in a cliff face. From this site, goblin raiders have been sallying forth to wreak destruction on the surrounding countryside? Why? And what will the heroes do about it?

Contained within are a number of suggestions on why the goblins are there and how the heroes can get involved. Play this adventure as a brief sidestep away from your normal campaign's pace or use the optional Gateways to Peril within as a starting point for a new story.

Both a color and print-friendly version of the product are included.
