## NEWSLETTER

As with every month, we are cover what's new with **Misfit Studios**, this month's new products, and details on our July 2022 promotion. Read on for details!

### WHAT'S GOING ON WITH MISFIT STUDIOS

Interior art coloring for *Darwin's World: Nuclear Edition* is nearly done. **RPG Objects** is still reviewing the book otherwise, but both they and Dominic Covey (the original author) have indicated they like what they've seen so far. Things are otherwise slow for **Misfit Studios** this summer, as there is a kid home from school running around and in need of attention.

There were plenty of stock art releases in August. Look forward to more this month.

### MISFIT STUDIOS IN PRINT

**Misfit Studios** offers a variety of top quality print products through [DriveThruRPG](#), [Amazon](#), and [Lulu](#).
