ENHANCED ARCHETYPES: ARTIFICIAL INTELLIGENCE

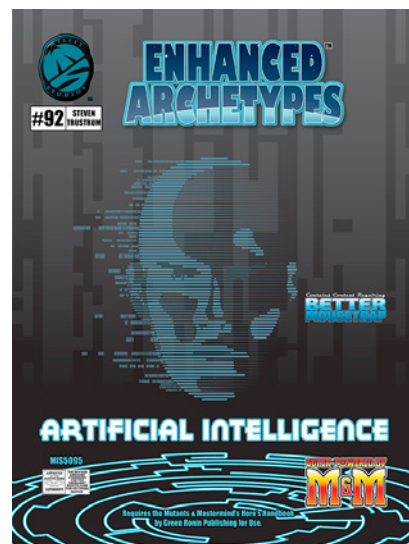

Stock #: MIS5095

This Super-Powered by M&M RPG release brings you Artificial Intelligence Enhanced Archetype. This ready-to-go character build provides a foundation for you to develop a hero that exists solely in cyberspace but may have other ways of interacting with their environment. For example, do they project a hologram of themselves? Are they able to "possess" the team's headquarters? Gamemasters can also use the archetype as the basis for quickly building NPC heroes or villains off-the-cuff.

This product uses content found in Better Mousetrap 3e, also from Misfit Studios.

Both a color and print-friendly version of the product are included.

Purchase: [DriveThruRPG](#)
