WHAT'S GOING ON WITH MISFIT STUDIOS

January was a slow month for **Misfit Studios**, as it usually is, because most people have wallets that are still recovering from Christmas. Still, we did some respectable sales and put out a number of products.

Metahuman Martial Arts 3e continues to move forward at full speed, and conversion is now about 2/3rds of the way done. We continue to seek out some additional playtesters to help out with it, and other products. If you're interested, email us at trustrum@misfit-studios.com and let us know.
