WHAT'S GOING ON WITH MISFIT STUDIOS

Another month gone and, unfortunately, very little came out of **Misfit Studios**. My day job requires I spend most of the time I normally spend on **Misfit Studios** preparing for trade shows at the end of January and February instead. Indeed, if not for the fantastically talented artists who sell their stock art through us, **Misfit Studios** wouldn't have released much last month.

Another chapter of **Metahuman Martial Arts 3e** did manage to make it through editing and layout, however, leaving just the final chapter and index to go (along with recoloring some art). I'm hopeful to get it out this month if I put in enough 14 hour days, so cross your fingers!

Vermin! Sewer scum! And those are the polite names people call them.
