WHAT'S GOING ON WITH MISFIT STUDIOS

Another month (and year) gone and another chapter of **Metahuman Martial Arts 3e** has completed layout!

December is always a slow month for **Misfit Studios**. As primary-digital product publisher, people tend to spend their money on physical product as gifts during this month. As such, we don't release much product because doing so wastes the sales potential of the initial release surge. To put things in perspective, **Misfit Studios** did as much in sales in the week after Christmas as it did for all four weeks leading up to the holiday.

For the new year, we plan on (finally) wrapping up **Metahuman Martial Arts 3e** so we can follow it up with some new **MnM 3e** products that rely upon its content. We intend for this to include at least one re-released adventure that is martial arts heavy, as well as including character and monster releases that make use of the new martial arts rules. Beyond **MnM 3e**, we're hoping for some revamped and colored **End Times: Armageddon** re-releases, new **Pathfinder RPG** content, and I hope to get around to releasing a new game system of our own that is a retooling of an ol' industry favorite.

CRAWTHORNE'S CATALOG OF CREATURES: INFECTED ZOMBIE

Stock #: MIS0029

Each release for Crawthorne's Catalog of Creatures for the Pathfinder RPG presents a single, new creature for your Pathfinder RPG game, as presented by the famous and retired monster hunter and adventurer, Lord Crawthorne. Each release presents game stats for the new creature, as well as three adventure ideas to help insert them into your game.

The Infected Zombie is the flesh-eating zombie we all know and love from popular media. This is not the vanilla mystically raised from the dead automaton the Pathfinder Role-Playing Game defaults to, nor is it the plague variation that falls short of the genre. This difficult-to-kill zombie has no goal but finding warm flesh to eat, but the true danger comes from the infection its bite can spread. Aiming for the head is also crucial to truly killing these monsters, as you've been hoping for.

Both a color and print-friendly version of the product are included.
