### WHAT'S GOING ON WITH MISFIT STUDIOS

Ugh, another very slow month at **Misfit Studios**. Things are expected to slow down a bit during the December holidays, but my family was sick for most of it (lucky me, I had two back-to-back debilitating colds, one of which is still hanging around.) Hopefully 2017 will see me finding more time to get things done. Few things are as annoying to a writer as having lots of ideas and projects to get done and no time to do so.

# LOTS OF HORROR: HECATE'S MIRROR

Stock #: MIS7049

Every Lots of Horror offering provides an item lot presented as though part of an auction. This is an easy way to introduce the item into your game: someone bought the item and now all hell is breaking loose!

This release includes the Hecate's Mirror. Discovered during the mid-1700s in Athens during a construction project, this mirror is said to grant bad dreams (and worse) that sleep to close to it. Just what is this object's connection to the land of dreams and what could happen if its power is abused?

Hecate's Mirror

**ARTIFACT AUCTIONS**

The item lot contained herein is presented as though part of an auction. This is an easy way to introduce the item into your game: someone bought the item and now all hell is breaking loose!

The opening bid is an estimated value arrived at by appraisers based on the item's quality, age, and demand in the market. It is not representative of its value as an object with professional abilities, the outcome of which appraisers would not be aware of. This amount will be roughly exceeded that prevents it from a game takes place in the 1900s or thereabouts.

**HECATE'S MIRROR**

The mirror was recovered from a previously unknown temple unearthed during an Athenian construction project in the mid 1700s. It is thought to have been a key instrument in the ceremonies of a Cult of Hekates devoted to Hecate, goddess of the moon. After its discovery, the mirror was taken for study by the renowned archaeologist, Dr. Demetrius Mikhalakis, but was later stolen. The mirror's whereabouts were unknown until it resurfaced in the hands of the National Archaeological Museum of Athens. It had remained there on display until recently when it was reclaimed by the descendants of the man who recovered it.

Hecate's Mirror defies all attempts at carbon dating, so its age is undeterminable. Although the chambers around it contain objects that carbon dating revealed to
