WHAT'S GOING ON WITH MISFIT STUDIOS

Normally, we have a quiet December because of people spending money on physical presents and we're a primarily digital publisher, but we had a surprisingly good month. Some new stock art and some (already popular) **Savage Worlds** saw release before the year ended. A non-gaming project is wrapping up this month, so that will allow work to renew at full speed on our **Savage Worlds** martial arts project.

JANUARY 2018, ISSUE 5.01

EXPANDED PROFESSIONS: THE INVESTIGATOR

Stock #: MIS7064

This product is designed to expand upon the premise of a single Professional Edge representing an entire profession's career path by creating a tree of Edges from that base profession, allowing for a more direct concept and development focus as the character progresses while still allowing for adaptability and wide variation by accommodating unrelated Edges. These so-called "profession trees" represent a shared vision and likely direction of advancement in both career and purpose that may be enjoyed by the sort of hero who would pursue the indicated occupation beyond the rudiments of the initial Professional Edge.

In this offering, you'll find the investigator profession tree. These brave souls are determined to find and follow clues, no matter where they may lead—even beyond the ken of mortal man. They are hardened against terror and ignorance alike, destined to seek the truth no matter the cost.

Both a color and print-friendly version of the product are included.

Purchase: [RPGNow \(PDF\)](#)

EARL GEIER PRESENTS: BRAZEN BRUTE

This purchase includes a JPG and a TIFF version at 300 dpi, along with an EPS vector version.

All art files are bundled in a ZIP file.
