The Foreboder, an undead creature forever tasked with guiding others who have become lost so they don't die alone like it did. CRAWTHORNE'S CATALOG OF CREATURES: DREAD ICHOR

Stock #: MIS4005

Each release for Crawthorne's Catalog of Creatures for Castles & Crusades delivers a single, new creature presented by the famous and retired monster hunter and adventurer, Lord Crawthorne. Each release presents game stats for the new creature, plus three adventure seeds for your game.

Within, you'll find Dread Ichor, an incomprehensible ooze that seems to be the manifest essence of evil itself. Able to possess living hosts to get about, slowly rotting them from within, this foul entity is difficult to understand, stop, or contain. Some believe it may even be the source of all evil, or the blood or other remnants of a dead god!

Both a color and print-friendly version of the product are included.

This work is compatible with the Castles & Crusades Players Handbook from Troll Lord Games®.

Purchase: [DriveThruRPG \(PDF\)](#)

SPIROSBLAAK: THE PRISON ISLAND OF KRAEPHOS

Stock #: MIS3002

Too dangerous for the mainland, the Archduchy sends prisoners to Kraephos Prison to be forgotten. More than home to a jail, however, Kraephos Island is home to new friends, threats, and mysteries.

What secrets (and dangers) are waiting in the dark and haunting Dread Wood?

Is there a danger stalking the waves and watery ruins of the island's South Coast?

What happened to the various prisoners who have escaped through the years? Where have they gone?

Is there any truth to the stories of a flame-scaled dragon claiming the island's active volcano as its home?

This is a supplement for the SpirosBlaak setting, also by Misfit Studios.

Purchase: [DriveThruRPG \(PDF\)](#)
