### WHAT'S GOING ON WITH MISFIT STUDIOS

It's been a fairly quiet month. We put out some stock art and a few small gaming products. Mostly, we've been working on bigger projects to be released in the months to come.

### MISFIT STUDIOS IN PRINT

Misfit Studios offers a variety of top quality print products through [Lulu](http://Lulu.com). You can also download our most recent [catalog of print products here](#).

### MISFIT STUDIOS' NEW RELEASES -- GAME PRODUCTS

Here is what Misfit Studios released in April of 2017.

Stock #: MIS7051

This product presents a variety of demonic foes to pitch against your heroes. Within, you will find:

The Executioner Demon, a naturally armored opponent with blades instead of forearms and hands. They are deadly combatants and tenacious foes.

What could be more terrifying than a Hellwurm, a dragon native to the demonic realm?

The Low One demon, a tentacled blob, is born of the lowest form of damned souls. Near mindless, these creatures just want to eat everything in sight, including your character.

The Mistress of Pain uses her barbed chains to torture and interrogate prisoners on behalf of her masters. Her love of pain also makes her a difficult fight.

Both a color and print-friendly version of the product are included.

## PRESTIGIOUS PATHS: SIN HUNTER

Stock #: MIS0049

Each release for Prestigious Paths for the Pathfinder RPG presents a single, new prestige class for your Pathfinder RPG game. Each release presents the basic prestige class information you would expect, and likely some other, related content, too.

The Sin Hunter is someone who has encountered the Deepest Dark -- the sort of evil that exists on the other side of sanity -- and survived. In their survival, they have been called by a god to rid the world of sin, no matter the cost. They are now able to track others by the sin in their souls, as well as reflect it back inwards upon a subject to render them vulnerable. They can even feed upon the darkness within a slain sinner to make themselves temporarily stronger. But they are unforgiving and brutal, make no mistake.

Also includes 1 new feat and 1 new spell suitable to the Sin Hunter and similar characters.

Both a color and print-friendly version of the product are included.

**Purchase:** [RPGNow \(PDF\)](#)

## ERIC LOFGREN PRESENTS: LIGHT SWORDSMAN

Stock #: MIS9360

This stock art image by Eric Lofgren depicts an unarmored Light Swordsman with blade drawn and in ready stance. What manner of foe is he readied to face? Is he a brave warrior preparing to engage in battle or a bold brigand threatening those who would resist his claim to their property?

This black and white purchase includes one JPG and a TIFF version, both at 300 dpi. Dimensions are 3 x 5 inches.

All art files are bundled in a ZIP file.

**Purchase:** [RPGNow \(PDF\)](#)

## CREATURE FEATURE: MUMMY TEMPLATES

Stock #: MIS7052

Each Creature Feature presents acid-covered predator that stalks sewers and other places of refuse. Their touch can dissolve weapons, equipment, and armor; and they can spew forth corrosive slime.

Creature Feature Mummy Templates presents both types of mummy -- guardian and mummy lord -- presented as templates that can be added to most other creature types. Why should all your mummies be the same when they can differ by creature type, race, profession, experience, and the like?

Each mummy template also comes with an example creature build: the half-folk guardian mummy and mummy lord dwarven priest of war, respectively.
