NEWSLETTER

As with every month, we are cover what's new with **Misfit Studios**, this month's new products, and details on our May 2021 promotion. Read on for details!

WHAT'S GOING ON WITH MISFIT STUDIOS

Layout for **DOOM** for **MnM 3e** is nearly done, so it should see release in the first few days of May. We did manage to release **Headstone vs. Revenant**, though.

In addition to a lot of stock art from artists we've worked with for quite a while, we've also received interest in representing a bunch of new artists. The first piece from one such new artists was made available in April (and graces this page), but expect more in May.
