WHAT'S GOING ON WITH MISFIT STUDIOS

August was a fairly slow month for a number of reasons, not the least of which being I took some time off for a family vacation. We continue to release a number of small **Savage Worlds** PDFs as we work towards completion of a major martial arts project for this system. In the meanwhile, we also continue to put out quality stock art from a variety of top notch artists.

You may have received this newsletter because you have set your **OneBookShelf** account settings to allow emails from publishers. If you do not wish to do so, you must change this setting in your account.
